JOB TITLE: PHYSIOTHERAPIST

JOB SUMMARY: We are looking for a qualified Physiotherapist to join our team and take on the role of facilitating the treatment and therapy of patients who suffer from physical challenges. The Physiotherapist will work with a variety of patients, helping them with recovery and therapy.

To be successful as a Physiotherapist, you should have strong interpersonal skills, good administration skills, and strong knowledge of physiotherapy techniques. Ultimately, you should have a passion for helping people, strong organizational skills, and the ability to work well within a team.

OPERATIONAL RESPONSIBILITIES:

- Making assessments of patients' physical conditions
- Formulating treatment plans to address the conditions and needs of patients
- Conducting complex mobilization techniques
- Assisting trauma patients with how to walk again
- Educating patients, family members, and the community on how to prevent injuries and live a healthy lifestyle
- Referring patients to doctors and other medical practitioners
- Planning and organizing physiotherapy and fitness program
- Working with patients with a variety of conditions, sometimes over a period of weeks or months
- Diagnosing, assessing and treating problems
- Encouraging exercise and movement
- Advising patients on leading a healthy lifestyle
- Keeping reports on patients and their progress
- Liaising with other healthcare professionals to encourage a holistic approach to treatment
- Staying up to date with developments in treatments
- Being caring, compassionate, and patient

The above list of duties is not exhaustive and may be subject to change as deemed necessary.
